

## DECLARATION

### It is declared that:

#### All insured persons:

- reside in the UK
- will be travelling on a trip that commences in the UK or the Republic of Ireland
- have not already commenced the trip

#### No insured person:

- will be over 65 at the policy start date
- will be travelling against medical advice
- has received hospital treatment in the past twelve months
- is waiting for an operation, hospital consultation or other hospital treatment or investigation
- is receiving ongoing hospital treatment
- has been given a terminal prognosis by a doctor or medical practitioner
- is aware of any reason, medical or otherwise, why a planned trip is likely to be cancelled or curtailed. For example the illness or terminal prognosis of a close relative, close business associate or someone else upon whose health a trip depends
- has made no more than one claim under a travel insurance policy in the last three years

**It is understood that** any claims arising directly or indirectly from any existing medical condition will only be covered as long as

- the medical condition(s) was diagnosed more than 12 months ago **AND**
- the medical condition(s) is effectively controlled through regular medication, diet or treatment **AND**
- the medication, diet or treatment for the condition hasn't changed in any way in the last 6 months

Signed: \_\_\_\_\_

Name: \_\_\_\_\_

Capacity: \_\_\_\_\_

Date: \_\_\_\_\_

### Explanatory Note

There is **no cover** for undisclosed existing conditions;

- 1 that have been diagnosed within the last 12 months, OR
- 2 that were diagnosed earlier but are not effectively controlled through regular medication, diet or treatment OR
- 3 for which the medication, diet or treatment has changed in the last 6 months.
